

Mujeres, Si Se Puede

Strong, talented, educated  
*mujeres* of color,  
with no privilege to your name.  
Lost in the white mans  
mainstream world.  
Lost in the white womans  
feminist world.  
*Mujeres* Black,  
Chicana,  
Indian,  
Asian-American,  
Lesbian,  
who write have power,  
the power that is feared.  
You are feared  
for having the education  
they wish you didn't have.  
You are feared  
for your love of writing  
and literature.  
*Mujeres*, always remember,  
*Si se puede.*
